

R.I.P Cooper

October 2005 - February 2013

I met Cooper at the December meeting in 2006 and fell in love. He was the sweetest boy and very cuddly. I had to try him out with my 4 ferrets, Bella, Artex, Grizwald and Sookie. They all got along and I took him home. Cooper was the only ferret that I've had that walked on a lead and just keep on going. The was the perfect ferret to walk around the expos.

You are deeply missed my sweet Cooper. You stayed in my arms and I kissed you till you took your last breath. Bounce forever at the Rainbow Bridge with the Sookee clan that has passed before you.

Your always loving mother Lauren, nan Sue and fuzzies. Grizwald, Basb-Bash, Talya, Papillon, Archie, Bambino, Mocha, Hunter, Boo-Boo, Klutz, Cyrus, Linus, Lil Miss Kitch, Sheldon & Stubbs
